

Burn Soother Spray

Ingredients:

- 2 oz. aloe vera liquid
- 2 oz. lavender infused distilled water (or just plain distilled is fine)
- 20 drops lavender essential oil
- 15 drops *Melaleuca alternifolia* (tea tree) essential oil

Instructions:

Mix ingredients together and pour into a 4 oz. spray bottle

To Use:

Spray onto sunburned body, household burns, or any other type of burn, as well as cuts, scrapes, wounds, or owies of any type.
