

"We the People"

A reminder that government's power comes from the people it serves.

"In order to form a more perfect Union"

To help our nation's many states be more unified.

"Establish Justice"

To make sure people are treated equally and fairly.

"Insure domestic Tranquility"

To keep the citizens of our country from fighting each other.

"Provide for the common defense"

To protect our nation from outside enemies.

"Promote the general Welfare"

To help protect our health and happiness.
